

Our commitments

Your safety and our employees' security are our **top priorities**.
We set up additional measures to guarantee you a different stay but always unique.

Teams

- /// All our staff have been trained to respect hygienic rules and protocols transmitted by the World Health Organisation
- /// Wearing masks and washing hands frequently is compulsory

Arrivals and departures

- /// Hydroalcoholic gel is available in the lobby, in the bar, in the restaurant and at the reception
- /// Social distancing is materialized by marking on the ground
- /// We regularly disinfect surfaces (handles, elevator buttons, reception, payment terminals, etc.)
- /// Room keys are automatically disinfected
- /// Possibility of a quick contactless check-in/check-out (online check-in and fast check-out)
- /// For more peace of mind, we offer rates cancellable and refundable until D-3
- /// When you'll leave, you will be able to hand over your key in the box provided for this purpose and we will send you the invoice by email

Rooms

- /// We remove all items which are not essential to your stay in order to minimize contact areas
- /// Before your arrival, your room has been fully disinfected with appropriate products

Food & Beverage

- /// We have provided a system that will allow you to access our room service menu to securely order without contact and via your smartphone (delivered to your room or to take away)
- /// We guarantee in-room single use containers and utensils that are respectful of the environment
- /// In the restaurant and bar, we have revised the arrangement of the tables to guarantee a distance of at least one meter

Seminars

- /// Our set-ups adapt and guarantee social distancing in each meeting room
- /// We adapt our banquet offers to meet hygiene standards while preserving sharing and conviviality
- /// Hydroalcoholic gel is available at the Atelier H and our meeting rooms are disinfected every day
